If I am sick and cannot come to the Discovery Space do I get a refund?

We understand that plans change. We do ask that you call the Discovery Space by the morning of your visit date to let us know that you won't be visiting so we can release the tickets to another family. We appreciate your cooperation and courtesy as we try to meet visitor demand during this low-capacity period.

Do I need to make a reservation for my child under age 1?

Yes. To enter the Discovery Space, all members and general admission visitors need a reservation for everyone in their party to enter, including children under the age of 1. **Note:** children under age 1 will not be charged, but must be included in your party's total reservation count to help monitor visitor capacity.
